Why Buy 220NX 100

NUCLEAN
COMPACT
220NX 100

Compact by Design. Powerful by Nature. Exceptional Value.

The 220NX 100 brings professional scrubber dryer performance to spaces where larger machines simply can't go.

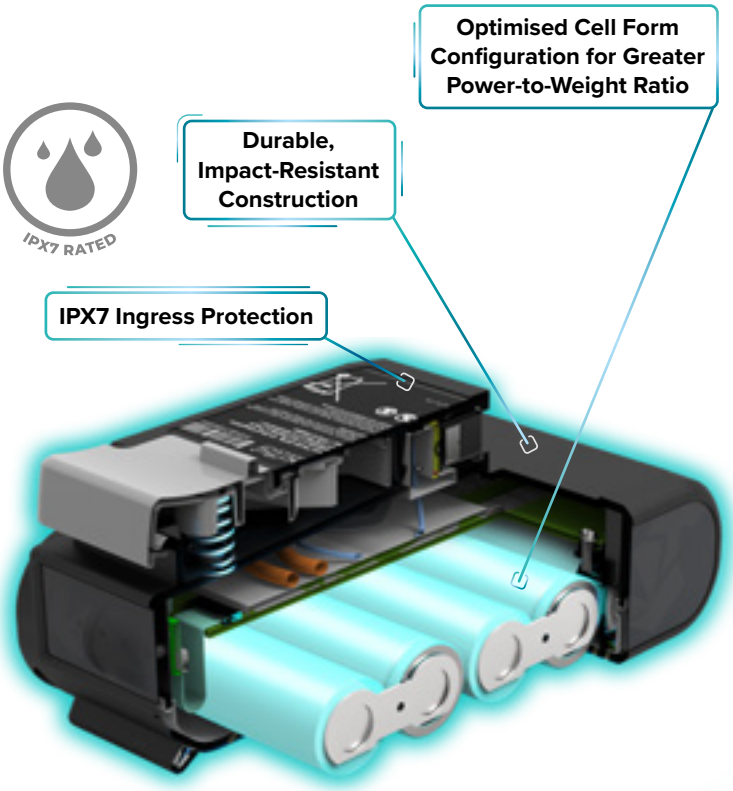

Powered by the new NX100 Pro Cordless battery, the 220NX 100 delivers professional cordless cleaning with the freedom to work without cables. Its ultra-compact design allows it to clean areas traditionally tackled by mopping alone, helping deliver more consistent results while reducing manual effort and labour time.

Ideal for smaller, high-traffic spaces, it combines manoeuvrability, efficiency and reliable cleaning performance in a compact, high-value solution.

Powered by the New NX100 Battery

- NX100 cell architecture provides high energy density with lightweight and compact design.
- IPX7 Ingress Protection: IPX7 Market-leading enhanced water ingress protection for everyday durability.
- Extend runtime further with optional high-capacity 8Ah battery.

Key Features & Benefits

One-Pass Performance
One-pass cleaning performance is achieved by applying brush pressure and a powerful drive motor with the right amount of water in the right place.

Small in Size Big on Value
A true high-value solution, unlocking professional cordless cleaning powered by the new NX100 Pro Cordless battery.

Compact, Agile & Manoeuvrable
With an ultra-compact cleaning width of 220mm and total manoeuvrability, the 220NX 100 can turn 360 degrees in any direction, on a single point. Reaching into those hard-to-reach, congested areas that bigger machines cannot go for increased cleaning access.

3-Year Warranty
Backed by a rock-solid 3-year warranty, guaranteeing dependable performance and long-term reliability, clean after clean.

Enhanced Sustainability
Leading sustainability with the use of ReFlo recycled plastics, saving over 5000L of water, reducing chemical usage by 80%, and lowering energy consumption. The 220NX 100 is made using a minimum 30% recycled plastic content, including accessories.*

*30% represents the minimum use of recycled plastic content in 220NX 100, including accessories, excluding NX100 charger.
