## Master Your Environment

The NEW X-tract wand is fully compatiable for all Numatic 32mm CT/CTB products available.

With X-tract, you can clean, scrub and dry every area that your current scrubber dryer misses or the mop doesn't clean effectively. It is perfect for those hard-to-reach areas and getting around awkward obstacles.

Low-cost and mechanical-free, X-tract is the right tool to complete the job, for less.

Spray, scrub and extract

in all tight areas

Even clean up the walls...

## Deep Clean Hard-to-Reach Areas with Ease

- Perfect for small, hard-to-reach areas, corners, edges and around obstacles
- Thoroughly clean those areas that are usually missed
- Leave the floors clean, dry and safe
- Tackle dirty spills and soiled areas with no fuss
- Fits and cleans where scrubber dryers cannot
