Why Buy Carousel Range

VersaCare

The Carousel is an original concept, providing several cleaning facilities in one exceptionally compact and easy to handle, user-friendly, package.

ReFlo TECHNOLOGY

Designed to make compact size its first consideration but, whilst being small, it is ideal for professional use.

Engineered from the highest quality recycled plastic, using environmentally sustainable ReFlo Technology, the Carousel Range benefits from unique heavy-duty Structofoam construction, using co-polymer grade material, making it tough, chemical-resistant, easy to clean and built to last.

Promotes Hygiene & Prevents Contamination

Industry colour-coding for effective infection control.

Increases Productivity

Compact design providing a number of cleaning facilities.

Ease of Transit

Carousel design with comfort grip handle and castors for easy movement.

Compact & Convenient

Easy to use, easy to move, easy to change and easy to store.

User Friendly Features

vVersatile waste and caddy features for everyday cleaning solutions.
