Saves You Money

Investing in lithium compared to routinely replacing lead batteries and associated service costs provides a positive return on investment across the NX1K range, therefore saving you money.

Runs Longer

Configurable performance that suits you, offering increased runtime of up to 44%*.
Ensuring you can keep cleaning when it is most convenient for you.

Charges Faster

Unlike lead, NX1K allows complete flexible charging, unlocking the cleaning potential across the fleet and increasing available up-time.

More Sustainable

NX1K lasts longer than lead alternatives, significantly reducing material use and disposal, providing a much more sustainable solution.

3 Years Warranty†

Utilising the latest Lithium Phosphate Technology and delivering over 4000 charge cycles, NX1K is one of the safest batteries platforms on the market. A 3-year battery warranty provides complete peace of mind for you and your cleaning fleet.
