Why Buy PPR170 ReFlo

A professional, tough and versatile workhorse, the PPR170 ReFlo is packed full of innovative features.

The perfect all-rounder with a super long-reach, 12.5m rewind cable rewind system allows for simple cable replacement if needed.

Enhanced Sustainability

Certified by SCS to contain a minimum of 23% recycled plastic*, using our innovative ReFlo Technology to reduce virgin plastic use without compromising on durability or performance.

ReFlo Technology uses high-quality recycled post-industrial and post-consumer plastics across the Numatic range.

Key Features & Benefits

Works Harder

High-efficiency TriTex filtration, a multi-surface ProFlo floor tool, a 12.5m hi-vis cable and a durable stainless steel tube set combine for reliable, professional results.

Lasts Longer

Engineered for the long haul, with robust commercial-grade construction and a motor designed and tested beyond industry standards, backed by a 3-Year Commercial Warranty.

Built Smarter

Certified by SCS to contain a minimum of 23% recycled plastic*, including all accessories.

Compact & Convenient

The extra-reach 12.5m cable, trouble-free rewind and on-board tool storage make day-to-day cleaning faster, easier and more organised.

Handy Cable Replacement

The NuCable system allows quick, straightforward cable changes, helping minimise downtime if the cable is damaged during use.

*This product meets all the necessary qualifications to be certified for the following claim: SCS RECYCLED CONTENT CERTIFIED
