Why Buy PPR240 ReFlo

A professional, tough and versatile workhorse, the PPR240 ReFlo is packed full of innovative features.

The perfect all-rounder with a high-efficiency, long-life motor with super long reach, rewind 12.5m cable, bumper for wall and door protection and a unique plugged cable rewind system allows simple cable replacement if needed.

HepaFlo filtration not only raises performance standards but also provides for clean and convenient emptying when full. Convenient on-board wand and floor-tool storage to keep everything close to hand.

Enhanced Sustainability

Made using a minimum of 29% recycled plastic*, using our innovative ReFlo Technology to reduce virgin plastic use without compromising on durability or performance.

ReFlo Technology uses high-quality post-industrial and post-consumer recycled plastics across the Numatic range.

Key Features & Benefits

More Cleaning Productivity
Long cleaning reach with 12.5m cable, meaning less time unplugging and more time cleaning.

Lasts Longer
Built for the long haul with a 3-Year Commercial Warranty and a motor designed and tested beyond industry standard.

Powerful Cleaning
Powerful, efficient and long-life cleaning technology.

Built Smarter
Made using a minimum of 29% recycled plastic*, including accessories.

Stores Neatly Away
On-board tool storage means tools are always to hand and neatly packed away.

Easy, Clean & Safe Emptying
High-efficiency, triple-layer HepaFlo bags.

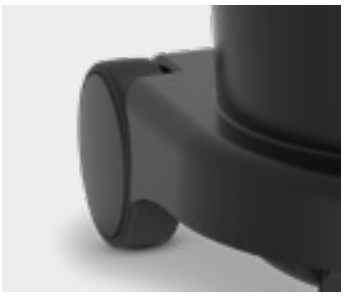

Handy Cable Replacement
The NuCable system allows quick, straightforward cable changes, helping minimise downtime if the cable is damaged during use.

*29% represents the minimum use of recycled plastic content, including accessories.
