Why Buy PPR240 HEPA ReFlo

A professional, tough and versatile workhorse, the PPR240 HEPA ReFlo plugged rewind is packed full of innovative features.

The perfect all-rounder with a high-efficiency, long-life motor with super long reach, rewind 12.5m cable, bumper for wall and door protection and a unique plugged cable rewind system allows simple cable replacement if needed.

Its 3-stage HEPA filtration delivers certified operational performance down to 0.3 microns, helping capture fine particles without compromising power or airflow. Conforming to BS EN ISO 14644-1 Class 5 cleanroom standards, the PPR240 HEPA ReFlo is ideally suited to environments where enhanced hygiene and air quality are critical.

Enhanced Sustainability

Made using a minimum 25% recycled plastic* using our innovative, ReFlo Technology. Reducing the use of virgin plastic wherever possible, whilst maintaining the same quality and durability in our products. ReFlo Technology uses high-quality recycled post industrial and post-consumer plastics across the Numatic range.

Key Features & Benefits

Works Harder

Pro features include high-efficiency TriTex filter, multi-surface ProFlo floor tool, extra-long 12.5m hi-vis cable, and high-quality Stainless Steel tube set.

Lasts Longer

Built for the long haul with a 3-Year Commercial Warranty and a motor designed and tested beyond industry standard.

Built Smarter

Made using a minimum 25% recycled plastic*, including accessories.

Advanced Filtration

Certified HEPA14 filtration captures particles down to 0.3 microns at 99.995% efficiency for cleaner, healthier environments.

Cleanroom Specification

Conforming to the internationally recognised ISO Class 5 cleanroom filtration classification.

Powerful Cleaning

Powerful, efficient and long-life cleaning technology.

Huge Capacity

Less time emptying with a capacity up to 8x bigger than many bagless vacuums.

*25% represents the minimum use of recycled plastic content, including accessories.

Product Features

Powerful Motor
Tested for a minimum of 1600 hours' continuous life, delivering powerful, efficient and long-life cleaning performance.

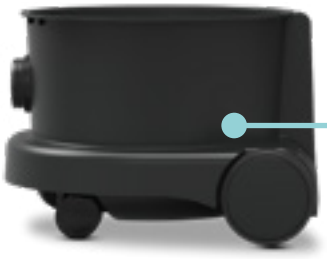

HEPA14 Filter Cartridge
Certified HEPA14 filtration down to 0.3 microns at 99.995% efficiency.

TriTex Filter
Traps fine dust within its high-efficiency, triple layer membrane.

HepaFlo Filter Bag
3-layers of high-effieicency filter material and unique self-seal tab trap and retain fine dust during vacuuming and emptying.

Built to Last
Tested beyond industry standards, delivering Performance you can Trust from the UK's most reliable vacuum brand.
