# Why Buy SERVO-Matic SM5 440NX

SERVO-Matic is designed for versatility and performance, delivering the perfect fit for every environment and application. The SM5 offers a cost-effective, accessible solution for storing your 440NX scrubber dryer, making cleaning simpler, smarter, and more efficient.

1. Mount to pivot point
2. Lift and click into position
3. Retract clip to release

Please note:
Ensure brakes are applied on castors before attaching.
Not compatible with the 440NX Flex Model.
